

Welcome to the Michigan Women's Commission Dashboard. This page is dedicated to transparency and ongoing detailed reporting. It is the goal of the Michigan Women's Commission to inform the public as to the continuing progress of reaching the goals that have been set by our Commissioners for three specific initiatives. We hope this helps to keep everyone up to date on how these initiatives are moving ahead for fiscal year 2013.

Women Veterans Initiative Dashboard as of June 2013

Goal	Timeline/Target	Progress
Survey Michigan women veterans to help identify needs and inform women veterans of existing state programs	Specific questions and various approvals to be discussed by April, 2013	Commissioners have discussed all aspects of survey and finalized content. Interns and outside funding have been identified.
Compose and send letters to Michigan Colleges and University Presidents requesting information on women veterans enrolled in their institutions	To be completed no later than September 2013.	List of College and University Presidents has been compiled. Draft letter being circulated.
Communicate with Michigan's Congressional Delegation to begin a mutual education process regarding gender-specific services provided by the Veterans Administration.	To be launched in 2013.	List of Delegation contact developed. Intent is to show preliminary survey questions and follow-up with results.

Young Women, Strong Leaders Conference

Goal	Timeline/Target	Progress
Hold at least one conference in Southeast Michigan in partnership with MI-ACE Network for Women in Higher Education and the Michigan Department of Education, Office of Career and Technical Preparation. Conference will include mentoring and will highlight underrepresented careers including military service, working in skilled trades and STEAM (Science, Technology, Engineering, and math) fields.	Conferences were held on March 15, 2013 (Greater Detroit area) and April 12, 2013 (Upper Peninsula). (Conference aims to support the personal and professional development of young women, encouraging them to be tomorrow's leaders).	Regular planning meetings with ACE were implemented. Michigan Department of Education provided funding. Planning has begun with the MI-ACE Network for 2014 Conference.
